Your job doesn't define you. You define your job. And the Medford Half Bistro Apron, popping with personality and colour, helps you carve out your niche. Servers and bartenders will love it because it's got ample storage and fashion-forward crosshatch fabric. Plus, there are four colour options to fit your brand.

The Medford Half Bistro Apron comes with left and right hip pockets – including a pencil divide on the right side. There's also a bonus back pocket. All stress points are reinforced, and there's double-needle stitching for durability. There are also belt loops that tie for secure closure.
